

Riding and Road Safety 2011

The Riding and Road Safety Test helps educate riders in road safety in order to minimise the risk involved when riding on the roads. The test is available to all riders from 12 years of age and is supported by the Department for Transport.

It is also required prior to taking the Stage 2 Riding assessment.

Riding and Road Safety training and tests are available throughout the year - see BHS website for current test dates.

Training is available on the Saturday prior to the test from 10am – 3.30pm and on the test day from 9am – 11.30am.

Horses that are not based at Brooksby Equestrian Centre unfortunately may NOT be used for the test. Tests start at 12 noon. Please contact Brooksby Equestrian Centre to reserve a horse and to book training, tests must then be booked with the BHS. If you would like to organise a test on a different day for your Club or organisation please contact us to discuss availability.
