CAN YOU DO ANYTHING FOR US?

We are all too aware of the pressures on people's time nowadays. However, we also know that if you don't ask you don't get, so we're asking. If you would be interested in getting more involved with the BHS in your area, we sometimes need people who would be willing to assist with anything from selling raffle tickets to jump judging, stewarding a check point to tea making. You may only be called on to help with one particular event during the year, you may not be contacted at all, but it would be very nice to know we could get in touch. Your details would be held on the BHS Volunteer Database. This information is only made available to BHS personnel and will not be disclosed to any third party outside of The British Horse Society.
