Spring/Summer Newsletter 2011

Welcome to the Northamptonshire BHS Spring Newsletter!

At the County Annual Meeting in October I was elected as the new County Chair for Northamptonshire. It will be a difficult job to fill Sue Henrys shoes but I am delighted to take on this role and am looking forwards greatly to the next few years.

Firstly, I would like you to take a moment to consider why you a member of BHS?....

Is it because you are interesting in **access and bridleways** and want to promote and secure the provision and preservation of rights of way and access?

Is it because you are interested in **training** and are keen to gain nationally recognised qualifications?

Perhaps you are passionate about **Horse welfare** and are keen to support the BHS in all that it does towards this with its campaigns and work to promote and facilitate the prevention of cruelty?

Or perhaps it is to be part of a club to **socialise** with like minded people with a shared interest?

What ever your reasons or interests, please get involved with Northamptonshire BHS! As participation in a number of our events has been dropping recently we are planning more un mounted events this year to hopefully promote interest and participation amongst the county members. We also hope to hold more social events. Please see the list of events for details.

As some of you may have noticed in the year book, there have been a number of changes to the committee. All the committee members are listed on the back of the newsletter, please do contact us at any time if you require any help or information. You will also notice that we do have a few vacancies. If you are interested in getting involved with the committee or by helping out at any of our events, we would be delighted to hear from you!

There are now 745 members in Northamptonshire! Lets get active and make our voice heard. Please join us in 2011 to regenerate interest in the work of the BHS in Northamptonshire and fulfil our passion for horses!

Ruth Court Northamptonshire County Chairman
